

## BOY SCOUTS OF AMERICA®

## NORTHEAST ILLINOIS COUNCIL

Purchase a brick and be a part of the excitement at the new Kasperson Center for Scouting at Morrison Park! Bricks will be placed in the flag plaza and around the grounds of our new Vernon Hills location. This is a great way to honor a loved one, commemorate your Eagle Scout Award,

or remember a special Scoutmaster. Choose between two different sizes of bricks, add a logo if you'd like, and make your mark on the Northeast Illinois Council's new home. By contributing in this way, you are literally providing the cornerstone for the delivery of Scouting in Northeast Illinois.
