

Opportunities for People with Disabilities

Paving The Way To Opportunities

It's a fundraising campaign supporting the construction of the new CARC Administration Building located at 4100 Senator J. Bennett Johnston Avenue in Lake Charles, LA.

The building will allow CARC to continue to provide services for those with developmental disabilities the opportunity to prosper in all facets of developmental and independent functions. Also, to ensure the same rights, privileges, and responsibility afforded to all citizens.

Your support in helping us build will be recognized with an engraved brick. What better way to do that than by memorializing a loved one or creating a legacy for your child, grandchild, family member or other special person at the entrance of our building. Your engraved brick will have a permanent place to be honored for generations to come.

\$100 - 4x8 Brick Text Only

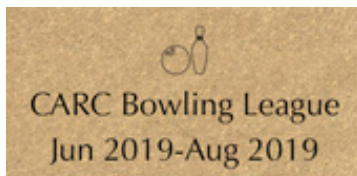

3 lines of text, 20 characters per line (including spaces and punctuation)
