WHERE WILL THE MONEY GO?

100% of funds raised from the sale of bricks will go to Mickey's Kids - helping to sustain the positive impact of Camp on those who might otherwise be unable to experience it. Phyllis was married to Mickey Dank, whose vision and passion was the inspiration for the establishment of Mickey's Kids - a non-profit organization with the goal of funding Camp scholarships. Sadly, Mickey did not live to see his dream become a reality. Inspired by his dream, his friends and family created Mickey's Kids.

PHYLLIS' PATH

YOU CAN'T THINK OF EVERGREEN WITHOUT
THINKING ABOUT PHYLLIS!

Phyllis Dank is Camp Evergreen's longest resident - she has been at Evergreen for over 60 summers! Although we are sad to see her retire, we are creating a lasting mark on Evergreen in her honor so that she will never really leave.

HAS PHYLLIS (OR CAMP) BEEN A PART OF YOUR PATH IN LIFE?

A LASTING TRIBUTE

Phyllis has had an impact on so many of our paths, and so it seems only fitting that we will be honoring her time at Evergreen by creating a special brick walking path.

Now you can
forever be a part
of her path too by
purchasing an engraved brick
to be laid along the pathway
- an opportunity for everyone to leave
a lasting imprint on the place we love.

Bricks can be
personalized
with names,
dates, and
special messages
