

Owsley County Alliance for Recreation & Entertainment, Inc.

The Booneville Theater Project is a sub-committee of Owsley County Alliance for Recreation and Entertainment, INC. Our main goal is to purchase and revitalize the historic Seale Theater in Booneville Kentucky (Owsley County). The redevelopment of this building will bring the arts back to our town in a bigger and better way; as well as

give our children and residents something positive to do. The re-opening of the theater will positively impact our local economy and bring visitors to our county, as well as revive the nostalgia felt by many. That is why we have chosen the Tile Project as our fundraiser of choice.

The Tile Project will give individuals the opportunity to forever capture and share the memories they have made (or plan to make) at the Seale/Booneville Theater. Whether it's a line from your favorite movie, a quote from your favorite author, leader or an 'In Memory of' tile for a loved one who's no longer with us; you can honor them in a timeless way.
