Pewaukee Sports Complex - Concession Stand Fundraiser

Pewaukee Youth Baseball has partnered with Pewaukee Park and Recreation in the development of the new Pewaukee Sports Complex. This complex will provide much needed recreation space and additional baseball and softball fields for the families of Pewaukee.

You can be a permanent part of this soon-to-be complex landmark by purchasing a paver which will leave your mark for decades to come. Your support will go towards the new concessions stand, fencing on all of the fields and future enhancements such as batting cages and scoreboards.

Space is limited - Get your orders in early to ensure you are a part of this historic new facility!
