

Greetings Panther families!

2019-2020 will be a year of continued growth for our Panthers with new and exciting projects and programs incorporated into this year's curriculum and our greater Pinecrest community. The standard of educational excellence established by Mrs. Keaton will serve as the foundation for this year's new administrative team goals, under Mr. Haskel's leadership, as we begin another school year dedicated to continuing our mission to unite the community to prepare our students for college and career. 2019-2020 will carry the theme, "Make Your Mark" (#MAKEYOURMARK) to encourage our students, staff, families, and our community to support one another and encourage each person to "make his/her mark" on the world.

We are proud to announce our fundraising partnership with Brickmarkers®, a company founded on creating legacies for communities like ours. We encourage our families to "Make Your Mark" on our campus by purchasing a commemorative brick to be installed in front of our building. This opportunity is open to current and prior Pinecrest St. Rose families who have helped build our Panther community over the last five years.

We are looking forward to an amazing year and watching our families become a permanent part of our Panther family. Welcome to our legacy. #MAKEYOURMARK
