# Saint Simons CHRISTIAN SCHOOL

*guiding hearts, growing minds*

## Saint Simons Christian School Brick Program

**PROJECT:**

Saint Simons Christian School (SSCS) is excited to break ground on its new middle school/multi-purpose building this year. Whether your family "paved" the way for SSCS by being a part of The Whitefield School, or has laid the "path" for Saint Simons Christian School's future, you can help support our **Building a Legacy** capital campaign. Students and families from the past and present can support the capital campaign by buying a brick with a special message, name, verse, or memory engraved on it. There are five options to choose from in which to make your brick special and last for years to come.

The bricks will be placed in front of our new building. This will be a meaningful way to be part of our capital campaign and an outward reminder of your stewardship to the school. ***Orders must be placed by November 17, 2017***
