

Mark your simchas and other lifecycle events by becoming a part of our new Contemplation Courtyard

A beautiful patio will be created with personalized engraved pavers set together in the grassy area to the right of our front door. Benches will be placed here for rest and introspection.

Enhance your special moments with a commitment to KTI by placing an engraved paver as a permanent and visible reminder. This is a valuable and lasting memento to celebrate the milestones and passages of our lives.

Engraved pavers can be used to celebrate bar or bat mitzvahs, weddings, confirmations, births and baby namings or other lifecycle events. The pavers will be individually engraved and set in the designated area to create a beautiful courtyard, to support the synagogue and to honor important people in our lives.

By participating in this new project, you will support KTI now and become a part of its future.

Checkout			
size	quantity	price	total
4x8in.	_____	118	_____
8x8in.	_____	180	_____
grand total			_____

You may pay by check addressed to Congregation KTI. Please write 'pavers' in the memo section of the check.

Alternatively, you may go to:

www.brickmarkers.com/donors/ckti.html
or KTI's website: www.ktionline.org and pay online.
