

# Kingston Jr/Sr High School

The Athletic Department of Kingston High School is inviting you to be a part of a very special opportunity to show your school pride and support for years to come. The Athletic Department will be updating the entrance to the Football, Baseball and Softball Fields as well as the track. This will include a very nice display for the bricks, a new concession stand/ticket booth.

Your generous donation of a brick will be viewed by thousands of patrons who come to support our student athletes for years to come. Engraved bricks will fill the walkway leading up to the new concession stand/ticket booth. You are given several options to chose from, making it possible to support Kingston Athletics in a way that is affordable to everyone. And remember "every brick engraving is guaranteed for life"!
