

Please help build The Aloha Garden of Maui...

A one-of-a-kind garden paradise in a private and relaxed environment where adults and children can bask in nature, renew and refresh their soul, find peace and serenity, explore, let their imagination soar, laugh and play, celebrate special occasions, learn about gardening and sustainable living in outdoor classrooms, and have unlimited fun.

Founded on the "Spirit of Aloha" and "Ohana" (Family), all are invited to be on the journey with us. Through the generosity of family, friends, neighbors, our community, guests, and those who love Maui we hope to raise \$500,000 to bring this dream to life on 15.5 acres recently purchased in Kula and leave a lasting legacy on Maui for future generations. This place of living art will feature botanical gardens that foster a love of gardening and outdoor living, a working and teaching farm, a plant nursery, outdoor learning spaces and sustainable models. You can make it happen with a brick purchase and there are many options to choose from. Personalized, engraved bricks can be purchased for every occasion. Your brick(s) with your name or message may honor your family, feature your business or organization (with name and/or logo), commemorate a joyful occasion (wedding, birthday, graduation, achievement, etc.), give a gift to a friend, acknowledge a loved one or mentor, recognize military service, celebrate a sports team, share a word of encouragement, offer a favorite verse or quote, memorialize a beloved person or pet, express support for the garden and more. The possibilities are endless!

Bricks are engraved using state of the art laser technology that ensures legibility for the lifetime of the brick. Installations will be done in phases, beginning with bricks at our entry courtyard to welcome all when they arrive, followed by brick pathways as specialty gardens are built and people explore all wonders of the garden.

Join in the excitement of creating this magical place!

10% of all net brick proceeds will go to Feed My Sheep Maui, who feeds Maui's hungry in body, mind, and spirit across the island through weekly mobile distributions.

Those who purchase bricks and/or donate at a level of \$500 or more will receive an invitation to the garden's grand opening, be listed in the program, and be recognized on The Aloha Garden's website (TheAlohaGarden.com) within the giving category that corresponds with their total contribution.
